

## Our Mission

Our mission with the San Jacinto Women's Conference is to provide a positive experience for the women in our valley and surrounding communities, as we raise funds to help local women improve their educational goals through scholarships.

*"The beautiful thing about learning is that no one can take it away from you".*  
**BB King**

## ABOUT US

For 13 years, San Jacinto Valley Women's Conference has provided a positive experience for women in the valley and surrounding communities to live safely, fulfill their lives, and reach their potential.

Our goal is to empower women to live safely, fulfill their lives, and reach their potential

SJVWC is committed to:

- Minimize students' debt
- Help fill the void left by public education funding cuts
- Provide future opportunities

## OUR SERVICES

SJVWC supports higher education with financial assistance through fundraising, events, and donations.

Since 2014, SJVWC has provided scholarships to over 25 women and young girls worth over \$40,000.

## DONATE NOW!

## BENEFITS TO HIGHER EDUCATION, INCLUDING

- Higher earning potential: College graduates earn more than those without a college degree.
- More job opportunities: Higher education can lead to more job opportunities and career advancement
- Communication: Higher education can help people communicate better with their subordinates, which can lead to improved understanding and management of others' and one's own emotions.
- Economic growth: Education can boost economic. For example, as of May 2024, the unemployment rate for individuals with a bachelor's degree was 2.2% compared to 6.5% for those without a college degree.
- Professional networks: Networking can expose people to new perspectives and trends, and help them understand industry demand.
